ABOUT THE INSTITUTION

LBS Institute of Technology for Women, established in the year 2001 is the first Engineering College for Women in Kerala. This is managed by LBS Centre for Science and Technology, Thiruvananthapuram. During the 14 years of existence, it has achieved excellence in imparting Technical education for Women. At present the College offers five undergraduate programs (B.Tech) in Electronics and Communication Engg., Applied Electronics & Instrumentation, Computer Science and Engineering, Information Technology, and Civil Engineering and two post graduate programs (M.Tech) in Signal Processing and Computer Science and Engineering.

ABOUT THE DEPARTMENT

The Department of Electronics & Communication Engineering was established since the inception of the college. The major strength of the department is highly qualified and experienced faculty with specialization in main areas of Electronics & Communication and Applied Electronics. State-of-the-art facilities are available in all the labs to train the students capable of meeting the requirements of present and future. Department has close interaction with various leading industries and educational institutions. Department also conducts many value added training programmes to the students and staff frequently.

OBJECTIVES

The course objective is to introduce the basics of LATEX and to provide hands-on training to researchers to design their own documents. LATEX is a high-quality typesetting system; it includes features designed for the production of technical and scientific documentation. The course topics include an overview of LATEX, preparation of professional-quality articles, thesis, books, power point presentations using LATEX.

COURSE OUTLINE

This course provides an introduction to academicians and researchers for effective research documentation using LATEX.

WHO CAN APPLY

Faculty members from AICTE recognized Engineering Colleges are eligible to apply for the course.

COURSE DURATION & RESOURCE PERSON

The course will run for duration of 3 days from 6th to 8th July 2015. The resource persons working in this area from academia are invited as resource persons for this program.

FEES AND MODE OF PAYMENT

No course fee is charged from the participants from TEQIP II Institutions and Government, Government-aided and Government Self Financing Engineering Colleges. All other participants are charged course fee of Rs. 500/- . Payment should be done in the form of DD in favor of The Principal, LBSITW, Poojappura, Trivandrum Payable at Trivandrum. No TA/DA/ accommodation will be given to the participants.

HOW TO APPLY

The registration form duly endorsed by the head of the institution should reach the coordinator latest by 29th June 2015. Advance copy may be sent through e-mail to the coordinator (kanjanalbs@gmail.com). The selection will be on first come first basis. No of participants is limited to 30.

Last date of receipt of application: 29th June 2015.

Intimation of selection course: 30th June 2015 by e-mail.
