

ADMISSION 2017-18

LBS Institute of Technology for Women, the second Engineering College managed by LBS Centre for Science and Technology, Thiruvananthapuram started functioning in 2001. This is the first Engineering college for women in the state of Kerala and is the only Women Engineering college in the Government Sector in the state.

Location: It is located in the heart of city, at Poojappura which is 4 KMs from Central railway station and KSRTC Bus stand. The International Airport is about 8 KMs away from Poojappura.

1. Programmes offered.

a. B. Tech Programmes

LBSITW offers B. Tech Programs in the following disciplines.

Sl. No.	Discipline	Intake
1	Applied Electronics and Instrumentation	60
2	Civil Engineering	60
3	Computer Science and Engineering	120
4	Electronics and Communication Engineering	60
5	Information Technology	60

a. M. Tech Programs

LBSITW offers M. Tech Programs in the following disciplines.

Sl. No.	Discipline	Intake
1	Computer Science and Engineering(CSE Department)	24
2	Signal Processing(ECE Department)	24

2. Admission procedure:

(a) Merit and Management quota seats in the college are filled by Commissioner of Entrance examinations (CEE) through online allotment process. Candidates who have Engineering rank in the rank list published by CEE in 2017 only can register option in the online process. A candidate opting our college should submit option for both Merit seat (Annual Tuition fee Rs.35000/) and Management seats (Annual Tuition fee Rs 65000/). College Code is **LBT**.

NRI quota seats are filled by the college directly based on the applications submitted to the college by the interested candidates. Those who have not appeared for Entrance exam by CEE can also apply for NRI quota.

(b) An admission facilitation centre of CEE will be functioning in the college for registering option. Candidates will get guidance from experienced faculty and staff in selecting colleges /branch in the facilitation centre.

For any clarification /guidance regarding admission/facility, you can contact the following faculty /staff of the college

Name	Designation	Contact Details
SURESH V R	Associate Professor Mathematics	9447332391 vrsuresh1bs@gmail.com
Dr.Ramachandran R	Career guidance and Placement officer	9847545004 rclbs@hotmail.com
Jayachandran K	Computer programmer	9446102776
Sarathchandran Unnithan	Senior superintendent	9895983656

Heads of Departments

Dr(Prof) V.Gopakumar	Head of Department CSE	9447091403
Prof. Shiju P. P	Head of Department ECE	9447791606
Dr.Jayamohan J	Head of Department CE (Principal in Charge)	9447017088

3.Academic excellence:

The college is affiliated to APJ Abdul Kalam Technological University(KTU).It is considered to be one of the best colleges in the University as it is always placed in the top15 among the colleges in Kerala based on academic results.

4.General facilities

- a.Main building having an area of 1,14,000 sq.ft.
- b Highly qualified, experienced and dedicated faculty
- c Well equipped laboratories and workshops.
- d.Fully computerized central library.
- e.Specially designed computer labs with LAN facility.
- f. High speed Internet facility to all students and staff.
- g. Wi – Fi Enabled campus.
- h. Parent Teacher Association.
- i. Transportation and Communication Facilities for students.
- j. National Service Scheme
- k. Physical Education to students.
- l. Nature club.
- m. Group Advisory System.
- n. Elected College Union.
- o. Department Technical Associations
- p. Alumni association.
- q. QEEE Classes
- r. Smart class rooms
- s. Transportation facility covering entire Trivandrum city
- t. Cooperative society-provides all the stationary and text books
- u. All the Government scholarships are available for meritorious students and internal scholarships instituted by PTA, Alumni Association etc. are also available

6.Hostel Facility

A ladies Hostel with built up area of 50,000 Sq. feet is available inside the campus. All the needy students will be provided hostel. 24 hours power backup for the hostel.

7.TEQIP

Technical Education Quality Improvement Programme (TEQIP) was envisaged as a long-term program of about 10-12 years duration to be implemented in 2-3 phases for transformation of the Technical Education System with the World Bank assistance. LBSITW was a recipient of TEQIP funds from 2012 till 2017. The academic and infrastructural facilities are enhanced and strengthened by the assistance from TEQIP - II.

8.Accreditation

Two B.Tech Programmes, Computer Science and Engineering, Electronics and Communication Engineering got accredited by National Board of Accreditation(NBA).

9.Career Guidance and Placement Unit (CGPU)

CGPU is formed to bring the students and industrial fraternity on a common platform, thereby enhancing the scope for gainful employment of students. The unit is headed by a senior faculty member with representation from both students and staff. The CGPU helps in arranging industrial trainings, group discussions, entrepreneurship training etc. More than 80% of outgoing students are getting placement in reputed National and Multi National Companies. Frequent interaction with Industry and Internships help students to be industry ready when they complete the course.

10.Personality development;

Since it is a women engineering College, they get ample opportunity to take lead role in organizing events. The elected college union is one among the platform for this. National Service Scheme (NSS)is another platform for developing organizational skills. Two Units of NSS are functioning in the college. Department Associations and IEEE help to develop technical skills by conducting Technical events such as seminars, workshops and debates. QEEE classes using our smart class rooms are an additional support for students to attend online classes by eminent professors across the world. The students who have grabbed these opportunities have excelled in their career and are working in Civil Service, Airforce (pilot), heads of Industry owned by them, working in Microsoft office,leading Multinational companies across the world, doing higher studies in many foreign Universities across the world.

11.AICTE Fee waiver scheme

As per the scheme 5% of additional seats in each branch are earmarked. When the admission is complete, the top 5% students in each branch will be selected based on their merit and income and will be exempted from paying Tuition fee for tall the four years.
